"Little Intellectuals' Hub"

CHILDREN always **SMILE**
when **THEY** go to
Baluwater School

Baluwater School, founded by a team having a decade of experience in International Schools, is committed to provide quality primary education for students in Play Group, Nursery, L.K.G., U.K.G., First and Second grades

PHILOSOPHY

We encourage and challenge our students to develop knowledge and skills as lifelong learners.

In young children we develop a sense of understanding and compassion for others, and the courage to act on what they believe.

We stress the total development of each child: intellectual, physical, social, emotional, cultural and moral

Our program help to understand the diversity of the world and make children global citizens.

MISSION STATEMENT

The Baluwater School Community, through the commitment of dedicated staff and supportive parents strives to make children confident and creative builders of their future. Our focus is on all round development of the child. We work toward an integrated curriculum that reaches across disciplines and age levels: the students are encouraged to meet academic challenges with openness, enthusiasm and willingness to solve problems. We aim for an atmosphere of cooperation, with respect for individual differences and community values.
